

LEADING EDGE CONCEPT AND DESIGN

Palmieri Furniture

One of Palmieri's most popular offerings, Beta and Beta II's contemporary yet timeless design, all-hardwood construction, and enduring durability make the collection a complement to virtually any library environment.

PALMIERI

BETA & BETA II

LEADING EDGE CONCEPT AND DESIGN

Palmieri Furniture

The solid apron bases of Beta II tables include the added detail of a black painted reveal (illustrated here at the St. Marguerite D'Youville Secondary School Library in Oakville, ON)

WORK SURFACES

- Tabletops are constructed of 1 1/4", three-ply particleboard core

Palmieri created a series of custom Beta tables for Point Huron, MI-based St. Clair County Library, each featuring a bullnosed resin edge.

- Top surfaces receive a durable .050" high-pressure plastic laminate sheet
- The bottom surface of BETA & BETA II designs receive a .020" backing sheet for balanced construction
- Solid internal hardwood band features an eased square profile
- Work surfaces may be custom fitted for electrical/data options

PANELS

- End, back, and mid-panels are constructed from 1 1/4" veneer plywood
- PAC tables (panel base option), PAC terminals and library desks are 1 1/4", three-ply particleboard core, faced with grade "A" select veneers

- External edges receive an eased 1/4" solid hardwood edgeband
- Panels may be custom fitted with electrical options and wire management accessories

Distinct angles and clean lines – like those of this modular study carrel – define the Beta collection.

- Shelves are constructed from 3/4" particle core, faced with grade "A" select veneer and banded with 1/4" solid hardwood along the front edge
- Shelves are mounted to panels by means of hidden keyhole fasteners

LEGS AND APRON RAILS

- BETA tables feature solid 3/4" x 3 3/8" apron bases with a metal bracket assembly, recessed 1 1/2" from the table edge
- BETA table and carrel legs are 1 3/4" x 1 3/4" glued-up solid stock, their edges eased
- BETA II tables feature a solid 3/4" x 1 1/4" solid apron rail with the added detail of a 1/4" x 1/8" black painted reveal

Beta II tables feature a solid rail complete with a 1/4" x 1/8" black painted reveal tastefully fitted between the leg plate assemblies.

- BETA II table and carrel legs are 2 3/8" x 2 3/8" glued-up solid stock, their edges eased
- BETA II apron bases attach to tabletops using a threaded machine bolt and embedded barrel nut assembly
