Raise young spirits with a sense of magic and wonder!

TMC creates distinctive furnishings for children—perfect for many applications where safety and contract durability and quality are required: healthcare, libraries, schools, day care centers, cafeterias, doctors' offices. We offer chairs, tables, bookcases, puppet stages and other children's furniture with a range of nearly 40 rich wood finish colors and a host of styling options. Peruse our extensive portfolio of cut-outs, chock-full with playful animal and nature designs, as well as abstract patterns and geometric shapes. We also manufacture a wide range of adult sizes and styles to complement our children's furnishings.

Thank you for choosing to work with TMC. Like you we care deeply about the child's experience in an institutional setting. Let us help you create warm, imaginative and welcoming environments.

Trusted children's furniture manufacturer for over 11 years. Used by some of the most prestigious institutions throughout the country. Members of BIFMA and USGB. TMC, taking quality and stewardship seriously.
